The Greatest Sales of the Season.

These Are Our Loadstones.

Equitable business rules, absolutely safe to buy under, and low prices for reliable clothing, are our magnets.

By these we expect to get your good will, and make it pay you.

We stand up without reservation to what we say about the clothing—it's quality, the careful way it's made, and go so far as to say the buttons will not pull off nor seams rip.

Can you get closer than that to honest clothing?

We go so far is dealing fairly by you.

Our prices are the lowest. To you, to everybody, the prices are the same. We have no inside price to give particular friends.

Our guarantee accompanies every sale. It's in black and white; no guessing about what we promise.

Above all, if you take the clothing home and turn dissatisfied, bring it back and get your money.
